

Manufacturer of Customized Furniture

KRAFTERS INC

Dream-Design-live

Bengaluru - Chennai - Hyderabad

VISION

To become the leading furniture brand in India, known for transforming spaces with exceptional design, quality, and innovation

OUR Values

Our company is committed to craftsmanship, customer satisfaction, Quality, sustainability, integrity, innovative design, and building strong relationships with customers and the community.

MISSION

Our mission is to establish a network of furniture showrooms across India, providing access to stylish, high-quality, and functional furniture. We aim to bring our craftsmanship and innovative designs to customers nationwide, enhancing their spaces with products that blend aesthetics with practicality.

Welcome

Our First Product

Krafters Inc specializes in providing customised furniture designed to suit your workplace needs. Since our inception, our focus has been on offering clients high-quality, modern, and upscale furniture solutions.

We are committed to delivering exceptional value through competitive pricing, while taking great pride in the fact that all our products are thoughtfully designed and crafted in India. By sourcing most of our materials locally, we ensure superior quality and a dedication to sustainability by reducing carbon emissions.

Krafters Inc is devoted to building strong, mutually beneficial relationships with our customers, suppliers, and dedicated team.
